

[AI-03] Individual AI Disclosure

Nguyễn Bình An - 23127149

Course: CSC13003 - Software Testing

Class / Group: 23KTPM4 / Group 03

Topic: T01 - GUI & Usability Testing

I disclose the following AI-assisted work recorded for my contribution:

Tool	Date / platform	Purpose	Content affected	My required validation
Gemini	2026-07-04 / Gemini	Research and compare Manual UI Testing, BrowserStack, and Claude Vision	UI-testing portion of Tool_Survey_Proposal.md	Re-check product claims, edit the comparison, and own the final recommendation
Codex (GPT-5)	2026-07-23 / OpenAI Codex	Consolidate the final submission package	Sections attributed to me in slides/report; AI Audit pack and formatting	Read, correct, approve ownership, and ensure no unsupported claim remains

Evidence for the Gemini session is included in submission/assets/ai-evidence/an_ui_survey_1.png through an_ui_survey_3.png . The final-assembly session is disclosed in AI_Usage_Log_Submission.md .

I confirm that AI is not an official source. I remain responsible for understanding and explaining all submitted content attributed to me. I will not sign this form until I have reviewed the final Markdown and PDF files and corrected any inaccurate or incomplete statement.
